

ETM is a SaaS organization that specializes in providing statutory financial reporting, tax-compliance, and unclaimed property reporting services, making its clients more efficient, consistently accurate, and uniformly compliant.

Founded in 2001, ETM is the leading provider of software, automating the administration and filing of financial information to meet numerous regulated reporting requirements.

In 2001, ETM developed a SaaS application for statutory financial reporting.

ETM has pioneered the development of electronic filing specifications and electronic payment to the state regulatory departments.

In 2015, ETM started hosting their Unclaimed Property system to better serve the information security needs of their clients.

In 2017, ETM became SOC 2, type 2 certified for Wings, UPEnterprise, and UPEXchange software products.

ETM has served nearly 50,000 companies today.

OUR MISSION:

As a vibrant, growth-oriented organization dedicated to delivering secure, high quality compliance solutions and services to the industries we serve, our mission is to be leaders in the market by consistently exceeding the needs and satisfaction of our customers.

We are committed to the highest standards in security, innovation, integrity, and excellence in our product offerings, service, and people, thereby positioning the company for long-term sustainable growth.
